or portions thereof in any form.*

*Third Edition*

*It was inevitable in writing about Gandhi and his technique of non-violent direct action (satyagraha) that I should use some parts of the extensive and detailed treatment given to these subjects in my earlier book, WAR WITHOUT VIOLENCE ; I am grateful to its publishers, Harcourt, Brace and Company, for permission to include here a reworking of portions of two chapters from that book.*

*Again to Winifred Patterson,  
daughter of the West*
